The Number 36 departs from Waverley Bridge close to the drop off point for the Airport Bus No 100.

For all Lothian buses, the fare is £1 and you should have the correct change. It is best to get off at the Ocean Terminal stop (this is the turn around point for the bus and is a shopping centre – it is very close to the large building that is the Scottish Executive and you will see the Holiday Inn Express on your right just before the bus stops). The map below will help guide you.
